in the Schools (2014)

MOLLY KINSELLA / AIA, LEED AP
SMNG A

Professional Experience

Ms. Kinsella has worked for SMNG A Ltd. since 2003 and was named Associate in 2005. She has served as the project coordinator on many educational, community health, and residential projects. Her skills include design, construction documentation, construction administration, and project management.

Her recently completed projects include the Alexander Graham Bell Elementary School Addition, the Chicago Family Health Center Pullman Facility and private residences in Michigan and Wisconsin. Her significant involvement in both design and construction phase work has fostered a broad-range of skills and a deep understanding of the connection between design concept and building assembly.

Ms. Kinsella previously worked for Synthesis/LR Development Company as Project Architect for numerous residential interiors projects.

Current Work Assignments

- Project Architect and Project Manager for a new 1200 student elementary school.

Recent Work Assignments

- Construction administration for a 19,000 SF addition to an elementary school.
- Design, construction documentation, and construction administration for a 22,000 SF LEED-Silver community medical office building.
