

RAFAL STAWARZ SMNG A

Professional Experience

Mr. Stawarz Joined SMNG A Ltd. in 2013 after assisting SWWB Architects in the design and construction of numerous Chicago Public School renovation projects and one new state of the art addition to the historic Coonley Elementary School. Mr. Stawarz leads the firm in the research and implementation of new technology into the SMNG A workflow including, but not limited to smart CAD workflow and REVIT integration with IPD.

Rafal Stawarz
